Old Business: Discussion of the purchase of a Library Desk;

As a PAC board we are wanting to look at thoughts on what we should do to help out with costs for purchases for the school, and also how much are we wanting to contribute throughout the school year. Open to suggestions to discuss at our next meeting.

PCSD has given us \$300.00 for the year to put towards expenses. We have discussed we will use this money to buy our teachers Subs from Subway for parent teacher days, which is twice a year. Nov 29<sup>th</sup> will be the first parent/teacher of the year.

We have filled out a 2019/2020 priorities from the school division office of things that are the most important to the least important as a PAC board. Most important is Literacy & Numeracy, least important is Fine Arts. There were 14 topics to prioritize.

November 22<sup>nd</sup> PCSD Council meeting, Diana Peters is thinking of being our representative.

Fall Supper for October 28<sup>th</sup>, we are going to have a penny parade at our Fall Supper to help raise extra money. We are sending home notes to parents in asking for Donations for the Penny Parade.
